

# AMPLIFY QUIZ: 2016 - 17

**Teachers:** The following two pages contain a 22-question quiz that can be used as a pre- and/or post-test in conjunction with the [Amplify curriculum](#). We hope that this quiz will be helpful to you in your classroom!

There are 20 multiple-choice questions and two constructed response questions (after questions 3 & 9). Answers to the multiple-choice questions are below. You may choose whether or not you wish to score the constructed response questions; these questions are included to help us evaluate students' critical listening skills for the purposes of our grant evaluation.

Please send your results to Callie Dean ([cdean@shreveportsymphony.com](mailto:cdean@shreveportsymphony.com)) to help us evaluate our curriculum and continue to apply for grant funding to support our programs! If necessary, we will be happy to make copies of your students' tests and score them for you, including the short-answer questions.
