

**“Build It! Exploring Music and Architecture”
2019-2020 Discovery Concert**

Hello,

The Shreveport Symphony is very excited to present “Build It!” for its four Discovery Concerts on January 30 – 31, 2020. Maestro Michael Butterman will lead students in an exploration of how composers create musical works of art using structure, form, variation, and repetition. This concert provides ample educational experiences for grades 3-5.

All concerts will take place at RiverView Theater (600 Clyde Fant Parkway). This project is supported by a grant from the Community Foundation and funding from Caddo Parish Schools. Therefore, the Discovery concerts are **free of charge to all public school students**, and **\$5 per person for private and homeschool groups**. Schools that choose to participate in Build It! will also receive free curriculum materials, including teacher guides, to help prepare for the culminating performance.

Space is limited – sign up early!

School Name:	Title 1 School? <input type="checkbox"/> Yes <input type="checkbox"/> No
